

Concealed Handgun License Classes

Four County Career Center Adult Workforce Education is offering Ohio Concealed Handgun License classes. These comprehensive courses go far beyond the training required to obtain an Ohio Concealed Handgun License. Each course will fulfill all requirements of NRA Basic Pistol. Completers will earn a Basic Pistol Course Certificate from the NRA upon completion.

Class instruction will include ethics and psychology of self-defense, defensive shooting techniques, legality of lethal force, methods of carry, and selecting a defensive handgun.

Classes will meet on Tuesdays and Thursdays at the Ridgeville Fire Station as well as one Saturday at the shooting range. Classes will begin on April 3, May 1, and May 22. You will want to sign up early as registration classes 15 days prior to the first night of class. The cost of the class is \$65 plus \$85 material and range fee. There is also a materials fee of \$50 for the use of firearms and ammunition if you do not provide your own.
