

Dinner With Your Instructor

Last Thursday Four County Career Center hosted a Dinner with Your Instructor event for all 2012 incoming juniors and their parents, to give them an opportunity to talk with current students and visit their labs. Instructors and counselors were available to answer questions and acquaint visitors with their career and technical programs and college tech prep options.

The Career Center offers 32 career and technical programs to high school juniors and seniors from 22 high schools in Defiance, Fulton, Henry and Williams counties. For more information about applying for the 2012-2013 school year, sophomores are encouraged to contact their associate school Guidance office or call Four County Career Center Student Services Office at 1-800-589-3334, Ext. 2701.
