

## Pre-Engineering Open House

Four County Career Center's Pre-Engineering program will be hosting an Open House for current 10th grade students interested in pursuing the field of engineering after high school. This program is open to all next year's juniors in the four county area. Through this program students will earn FREE college credit while experiencing the technical side of making a product.

Open House will be held Thursday, February 23 in the Engineering Department at Northwest State Community College. The Open House will be held from 6:00 - 8:00 p.m. Program instructor, Tim Armitage, and current Pre-Engineering students will be available to answer questions about the program. Student work will also be on display.

For more information about the Pre-Engineering program offered through Four County Career Center, call 1-800-589-3334, Ext. 3528.
