

# School Receives CARF Accreditation

We are pleased to report that the Four County Career Center has been accredited for a period of three years for its Vocational Evaluation/Career Assessment and Community Employment Services programs. The latest accreditation is the sixth consecutive three-year accreditation that the international accrediting body, CARF, has awarded to Four County Career Center.

By pursuing and achieving accreditation, Four County Career Center has demonstrated that it meets international standards for quality and is committed to pursuing excellence.

This accreditation decision represents the highest level of accreditation that can be awarded to an organization and shows the school's substantial conformance to the CARF standards.

CARF is an independent, nonprofit accrediting body whose mission is to promote the quality, value, and optimal outcomes of services through a consultative accreditation process that centers on enhancing the lives of the people served.

We would welcome an opportunity to further acquaint you with our services and respond to your questions. We believe Four County Career Center is a valuable asset, and our accreditation underscores our commitment to the area we serve.

For information contact Martha Michael at Four County Career Center at 419-267-2214.
