

Can The Van

Four County Career Center students united in a school-wide effort and collected 5,191 pounds of non-perishable food items for the annual “Neighbors In Need” campaign sponsored by 105.7 The Bull and Chief Supermarkets. All career & technical programs at the Career Center participated in the “Can The Van” campaign and filled a school van with the non-perishable items. The local Farm Credit Services of Mid-America representatives Melanie Bok and Nick Sheets also dropped off a monetary donation to add to the cause. Through their involvement, the students hope that families in Defiance, Fulton, Henry, and Williams counties will have a happier Thanksgiving and Christmas. Skills USA students and advisors assisted Brent Roughton, 105.7 The Bull Account Executive and Josh Busch, 105.7 The Bull Program Director, during the live remote broadcast at the Career Center.
