

Students from the Four County Career Center recently hosted a “Lunch Expo” at Fairview High School presenting the high school students with information and demonstrations about the programs and opportunities available by attending the Career Center. They shared with students how to make the most of their high school years by preparing them to enter the world of work and/or pursue higher education. Shown during the “Lunch Expo” are (LEFT TO RIGHT) Accounting and Business Management instructor, Tina Short; Accounting and Business Management student Kruce Miller (Fayette); with Fairview students Caitlin Ferguson; and Alaina Grant.

Four County Career Center will host a Sophomore Career Exploration Day on December 6 and 7 where all area sophomores visit two career and technical programs and an Open House for the public on January 14, 2013.
