

# Salon Opens

Four County Career Center Cosmetology Salon will open to the public on October 3, 2012.

Clinic hours this year are 9:00 a.m. to 1:00 p.m. every Wednesday, Thursday, and Friday that the Career Center is open. Walk-ins and appointments are accepted during these hours. No appointments or customers will be accepted after 1:00 p.m. and no chemical service appointments after 12:00 noon. This year the salon will be offering a savings to customers who make appointments for services after 11:30 a.m.

Being a full service salon, we offer the following services--perms, nails, manicures, pedicures, facials, hair color services, haircuts and hair styling. Some new services include--the stone facials, therabath facials, seaweed facials, therabath pedicures, and the new OPI gel polish and the wash house experience.

All services are performed by Four County Career Center Senior Cosmetology students under the supervision of licensed cosmetologist and Instructor Kay Stannard using the newest procedures and equipment.

Clinic patrons are charged a nominal cost to cover materials and supplies. The salon is running an October special: a free wash house experience when purchasing another salon service.

Four County Career Center Cosmetology Juniors and Seniors spend half of each school day in the salon learning hands-on beauty care procedures. The remainder of the day is spent in cosmetology related and academic classes.

Students are eligible to take the Ohio State Board of Cosmetology to obtain their Cosmetology License in January and then start the Cosmetology Managers course, including a Tanning License, and take the Ohio State Board Managers License in May.

To make an appointment or for information call the Four County Career Center Cosmetology Clinic at 1-800-589-3334, Ext. 2234. Reserved parking is available near the entrance to the clinic, which is located at the east end of Four County Career Center.
