

ACTE Award Winner

Four County Career Center had staff members who recently attended the 2013 All Ohio Conference for Career, Technical and Adult Education in Columbus, Ohio. At this conference, Dan Frederick (ABOVE RIGHT), Adult Education Public Safety Coordinator, was selected as the Association for Career & Technical Education Region I Outstanding Career and Technical Educator. Shown with Dan is Doug Beck, Career Center Director of Adult Workforce Education.

This award is a testament to his dedication, commitment and passion for career and technical education and includes him among the ranks of distinguished educators, administrators, and career and technical education staff. As a Region I level winner, Dan is now a national finalist for the National ACTE Excellence Award which will be presented at ACTE's Awards Banquet during Career Tech VISION 2013 in December. The Ohio Association for Career and Technical Education awards seek to promote excellence in career and technical education by recognizing individuals who have made contributions to programs that exemplify the highest standards and organizations that have conducted activities to promote and expand career and technical education programs.
