

## FCCC 10th in Nation in Snap-On 504 Meter Certification

Four County Career Center is pleased to announce that they are currently ranked 10th in the nation for the number of meter certifications issued through the NC3 testing for the Snap-On 504 Meter Certification. One hundred fifteen students in the Automotive Technologies, Ag/Diesel Mechanics, Diesel Mechanics, and Powersport Engine Technology successfully completed this certification. Educational facilities that ranked higher were all 2-year technical colleges or 4-year colleges. This certification is the first step in students working towards the nationally known ASE/NATEF Certification. Automotive Technologies instructor is Bruce Magill.
