

"Paint the Plow" Competition

Four students in the Commercial Art program at Four County Career Center recently participated in a "Paint the Plow" competition sponsored by the Ohio Department of Transportation. The students designed and painted a blade taken from one of the ODOT snowplows that will be used next winter. Twenty-one schools are competing in the District competition and winners will be displayed at the county fairs as well as local parades and festivals. Shown with the painted snow blade are (LEFT TO RIGHT) Jason Shaffer, ODOT Highway Technician; students Dustin Sierra (Archbold); Emmanuel Gilmore (Evergreen); Madison Krauss (Pettisville); and Jenna Delno (Fairview); with Pat Dille, ODOT Transportation Administrator. Katie Delay, Commercial Art instructor, coordinated the event.
