

Car Donation

Four County Career Center's Automotive Technologies class recently received the generous donation of a 2008 Pontiac G6 from Stykemain Buick-GMC Ltd in Defiance. This vehicle will enhance the learning opportunities for Career Center students in preparing them to work in the automotive industry when they graduate.

Joe Stykemain, owner of Stykemain Buick-GMC Ltd, along with GM are pleased to support the automotive training program through this donation as part of the General Motors Service Operations on-going support of technical training. Shown with the vehicle in the background are (LEFT TO RIGHT) Doug Posey, Automotive Technologies senior instructor; Matt Westrick (Holgate); Caleb Haplin (Evergreen); Stykemain; Mike Ritz, Stykemain Buick-GMC Ltd service manager; Lathan Myers (Napoleon); Toby Kennerk, Automotive Technologies junior instructor; Brett Driscoll (Bryan); and Dayne Fitzcharles (Fairview).
