

Community Open House

The \$4 million renovation which includes a new secure front entrance, two new classrooms and a multi-purpose room for large group events is finally completed! Four County Career Center would like to thank the voters in Defiance, Fulton, Henry and Williams counties and invite them to an “All Community Open House” on Thursday, August 21 from 5:30 - 7:00 p.m. to view the completed project with a Dedication Ceremony at 6:45 p.m. in the new multi-purpose room.

This three-phase project started in 2012 with the new drive and bus pick-up/drop-off area on the east side of the building. Phase 2 was the demolition of the front canopy and site work for the building. Phase 3 finished the project with the actual physical addition of the building. With current enrollment at 1,020 the Career Center is completely out of space and the new addition is welcomed space to educate students.

“This is an exciting time for the entire Four County community. The completed addition is ultimately a wonderful addition to our facility that will benefit students and staff,” said Superintendent Tim Meister.
