

Congressman Latta Visits Career Center

Four County Career Center was pleased to host Congressman Bob Latta as he toured the new addition to the school and visited with students. During his visit he spent time talking to government students about the importance of registering to vote and their role in the voting process in the United States. He also took time to speak with two Early Childhood Education students who spearheaded raising money for the Four County Adams Board Suicide Coalition and the Mikayla Smith Memorial Scholarship. Their goal was to not only raise money but to spread awareness about suicide prevention and they presented Congressman Latta with a yellow ribbon to wear in support of this. Superintendent Tim Meister also relayed to Congressman Latta the school's gratitude for his continued support of career and technical education and Four County Career Center.
