

Electrical Community Service Project

Four County Career Center Electrical students recently rewired the Ayersville Pilot Booster Football Trailer as part of a community service project and their lab training. The students were able to have the trailer ready for the Ayersville High School football games this Fall. Shown with the trailer are Electrical students (FRONT - LEFT TO RIGHT) John Hasch (Fairview); Ryan Word (Montpelier); Trevor Shipman (Hilltop); Tim Knapp (Hilltop); Noah Pippen (Liberty Center); Moriah Szymanski (Evergreen); Nick Martinez (Defiance); Marvin Ruffier (Liberty Center); Jesus Ortiz (Bryan); (BACK - LEFT TO RIGHT) Cole Haynes (Hilltop); Adam Reimond (Napoleon); Anthony Cline (Fairview); Jesse Smith (Liberty Center); Billy Pelland (Wauseon); Blake Bruner (Wauseon); Brett Oxender (North Central); Colin Tedrow (Wauseon); and Joe Stainaker (Holgate). Scott Williams, Electrical instructor, coordinated the project.
