

## GK Educator Trains Cosmetology Students

Four County Career Center Cosmetology students recently had the privilege to work with GK Hair Educator, Kim Parsley, as she demonstrated anti-friz and smoothing treatments for the hair. This is part of the lab training the Cosmetology students are receiving in preparation for the State Board examination to become licensed Cosmetologists. Shown during the demonstration are (LEFT TO RIGHT) Alyssa Cruz (Defiance); Jozette Smith (Defiance); MaKayla Giesige (Fairview); Talissa Smith (Hicksville); and Emmy Arend (Fairview) with Parsley; and (SEATED) model Hannah Hoshock (Ayersville). Kim Dunbar, Cosmetology instructor, made the arrangements.
