

GM Defiance Tours Campus

Four County Career Center was pleased to host millwright and electricians from General Motors in Defiance who toured the campus. The guests met with students and staff and heard about what the students are learning in their career and technical programs. Four

County Career Center is very appreciative of the commitment of local industries to the training and education of their students and the partnerships they can build. Shown in the Computer Design/3D Modeling lab are (FRONT - LEFT TO RIGHT) students Summer Powell, Dustan Bradley, Joshua Birr, and Daniel Fortnier (all from Fairview) with (BACK - LEFT TO RIGHT) Rick Bachman, Director of Career & Technical Education; Dave Jaqua, GM Electrician; Eric Hawkins, GM Electrician; Veronica Poindexter, GM Millwright; Scott Ballard, GM Electrician; Ed Ovale, GM Millwright and Maintenance Coordinator; Joe Howard, GM Electrician; and Tony McCord, Career & Technical Education Supervisor.
