

Neighbors in Need

Four County Career Center students united in a school-wide effort and collected 3,460 pounds (or 10,391 servings) of non-perishable food items for the annual “Neighbors In Need” campaign sponsored by 105.7 The Bull and Chief Supermarkets. All career & technical programs at the Career Center participated in the “Packing the Pirate Ship” campaign and filled a pirate ship with the non-perishable items. Through their involvement, the students hope that families in northwest Ohio will have a happier Thanksgiving and Christmas.
