

Open House Rescheduled

Four County Career Center has rescheduled it's Career Night Open House for the school to Wednesday, January 27, 2016 from 5:00 - 7:30 p.m. The backup snow date for the Open House is February 1, 2016. The Career Center is located on the corner of State Routes 66 and 34 south of Archbold.

We invite the public to meet Career Center staff and tour the labs to see the advanced equipment and modern facilities in the thirty career and technical programs available to high school juniors and seniors from associate high schools in Defiance, Fulton, Henry, and Williams counties. On-line enrollment will be available that evening for the 2016-2017 school year.

For more information about the January 27th Career Night Open House or other school activities, contact the Career Center at 1-800-589-3334 or visit our web site at www.fourcounty.net.
