

Senior Citizens Day

Four County Career Center hosted their annual “Senior Citizens Day” full of activities and fun! Students spent the day with “seniors” giving the ladies a nail polish while the men watched a woodworking project. They learned how to make bows for their flowers and created a winter bird feeder. They learned about small pet care and fire safety and took part in basic health checks. They also playing bingo and won prizes and enjoyed a great lunch prepared by the Culinary Arts Management students. All guests and students enjoyed getting to know each other. Career Center Student Ambassadors assisted them throughout the day.
