

## Decorating Downtown Napoleon

Four County Career Center's Floral Design students recently spent the morning in downtown Napoleon decorating the planters with evergreens and pine cones. Thanks to the Napoleon Chamber of Commerce for allowing the students the opportunity to spread holiday cheer with the community and to utilize the decorating skills they are learning in their lab. Shown after they finished the decorating are Floral Design students (LEFT TO RIGHT) Mary Netcher (Fayette); Angelica Flores (Delta); Sumer McDaniel (Fayette); Alyssa Spangler (Montpelier); Gabrielle Lusk (Bryan); Emiley Blower (Tinora); Shalyn Tester (Hicksville); Michelle Robinson (Stryker); and Dakota Robinson (Evergreen) with instructor Florence Luzney.
