

Levy Information

Four County Career Center has a 1.0 mill operating levy on the November 8 ballot. This is the first operating levy Four County has asked for since 1987. The levy will cost the owner of a \$100,000 home \$2.92 a month.

Four County serves 22 different school districts and over 1,000 students and 2,000 adults students each year. Money generated from the levy will be used for the daily operations of the school.

“This is the first time since 1987 Four County has asked for any new operating money. Schools need to be good stewards of the tax payer’s dollars, and I feel 30 years between a levy speaks volumes about Four County being that good steward. This levy is vital if we are to continue the outstanding education and workforce development training for our area.”, states Four County Superintendent Tim Meister.
