

Neighbors in Need

Four County Career Center students united in a school-wide effort and collected over 27,500 servings of non-perishable food items for the annual “Neighbors In Need” campaign sponsored by 105.7 The Bull and Chief Supermarkets. All career & technical programs at the Career Center participated in the “Packing the Pirate Ship” campaign sponsored by the Skills USA Chapter. Through their involvement, the students hope that families in northwest Ohio will have a happier Thanksgiving and Christmas.
