

Together We Can Make a Difference Donation

Led by Skills USA, Four County Career Center students united in a school-wide effort and raised over \$700 for the non-profit outreach "Together We Can Make A Difference." The organization assists people of all ages in Northwest Ohio with basic needs and resources that are not available with any government assistance programs.

Through their involvement, the students hope to make a positive change for families in northwest Ohio. Shown above presenting the check are Skills USA Leadership team members.
