

Christmas Display

Four County Career Center students recently designed, fabricated and painted reindeer for the Christmas display to be used as part of The Christmas Cruise Thru held at the Defiance County Fairgrounds, November 24 - December 10. Programs included in the production of the reindeer are Welding Fabrication who used the CNC plasma machine to cut them out, Auto Collision Repair who did the base painting, and Visual Art & Design who put the finishing touches on. Shown with their holiday display pieces are (FRONT - LEFT TO RIGHT) Welding Fabrication students Dacoda Faber (Edgerton); Isaiah Sanceda (Archbold); Connor Seiple (Defiance); Brandon Burris (Tinora); Kez Sanchez (Defiance); Auto Collision Repair students Sunsirae Simon (Patrick Henry); Daizy Davis (Patrick Henry); Visual Art & Repair students Molly Griffin (Liberty Center); Gunner Nye (Edgerton); (BACK - LEFT TO RIGHT) Welding Fabrication students Caleb Emmel (Defiance); Zane Lehner (Edgerton); Hunter Thompson (Liberty Center); Bailey Malosh (Liberty Center); and Skyler Sobczak (Bryan). Chris Zacharias, Welding Fabrication instructor, coordinated the project.
