

Open House in January

Four County Career Center will be hosting it's annual Career Night Open House on Monday, January 8, 2018 from 5:00 - 7:30 p.m. at its campus located on the corner of State Routes 66 and 34 south of Archbold. The event is designed to introduce high school freshmen, sophomores, juniors, middle school students, and parents to a variety of career-technical training options available at Four County Career Center.

Meet Career Center staff and tour the campus to see the advanced equipment and modern facilities in the thirty career-technical programs available to high school juniors and seniors from associate high schools in Defiance, Fulton, Henry, and Williams counties. Learn how Four County students stay a step ahead of the competition as they complete their junior and senior years in high school. On-line enrollment will be available for the 2018-2019 school year while guests enjoy refreshments and door prizes throughout the evening.

Four County Career Center is in it's 49th year offering quality education to both high school students and adults in northwest Ohio. Tim Meister is Superintendent, Rick Bachman is Director of Career and Technical Education, and Doug Beck is Director of Adult Workforce Education.

For more information about the January 8th Career Night Open House or other school activities, contact the Career Center at 1-800-589-3334 or visit our web site at www.fourcounty.net.
