

Students Earn State FFA Degree

Four County Career Center is pleased to present four FFA students who received their State FFA Degree at the State FFA Convention recently held in Columbus. Students include Schylar Bergman (Edon) Diesel Mechanics; Elijah Seibel (Wauseon) Diesel Mechanics; Eric Culler (Fairview) Ag/Diesel Mechanics; and Timothy Herman (Edgerton) Ag/Diesel Mechanics.

To obtain the State FFA Degree there are certain criteria that must be met and documented. Schylar worked at Superior Farms Supply in Montpelier. Elijah worked at Defiance Trucking and Nofziger Farms in Howe, Indiana. Eric took the entrepreneurship path and raised hogs and worked on crop production as well as at Culler Cattle and Grain in Edgerton. Timothy worked at Oberlin Farms in Bryan. They all completed 25 hours of community service in the FFA field.

Receiving the State FFA Degree is a major achievement and the Career Center congratulates these students for their dedication and hard work.
