

Neighbors in Need Food Drive

Four County Career Center students, headed by the Skills USA Leadership team, united in a school-wide effort and collected 5,442 servings of non-perishable food items for the annual “Neighbors In Need” campaign sponsored by 105.7 The Bull. All career & technical programs at the Career Center participated in the “Race to Stop Hunger” campaign. Through their involvement, the students hope that families in northwest Ohio will have a happier Thanksgiving and Christmas.
