

## Teachers Attend Nurse's Pinning Ceremony

What an Honor it was for Four County Career Center's Health Careers instructors Mrs. Walker and Mrs. Badenhop to be invited to the Nursing Convocation at the University of Toledo of two 2015 Career Center graduates. Receiving their Bachelors of Science in Nursing were Abby Bilow (Patrick Henry) and Anne Keiper (Napoleon). It was a Special Honor for a nurse to pin a new graduate nurse as Mrs. Walker pinned Abby. Both students were able to complete their education a full semester early because of their training at Four County Career Center.

Four County Career Center offers training in thirty career and technical programs to juniors and seniors in Defiance, Fulton, Henry, and Williams counties.

Shown above (LEFT TO RIGHT) are Badenhop; Keiper; Bilow; and Walker.
