

Capital Luncheon

Four County Career Center students recently attended the Capital Luncheon arranged by the Association for Career and Technical Education. The students were given the opportunity to meet with local legislators and discuss the benefits they are obtaining from their career and technical education programs as they prepare for their careers. They also highlighted their leadership experiences through the career and technical student organizations.

Following the luncheon, students from the Career Center toured the Senate Chambers and the House of Representatives in the State Capital. Attending the luncheon from the Career Center are (LEFT TO RIGHT) LaFaye Davis (Stryker) Early Childhood Education; Leslie Rohrs (Patrick Henry) Accounting & Business Management; Chelsea McMillen (Defiance) Graphic Arts; Adriana Perez (Defiance) Health Careers; Will Ebersole (North Central) Deisel Mechanics; and Kyler Briskey (Edgerton) Computer Networking & Repair (CISCO).
