

Career Exploration Days

Four County Career Center is sponsoring FREE Career Exploration Days available to students entering grades 7, 8 and 9 in the Fall of 2011. Students will have the opportunity to participate in the areas of Creative Welding, Auto Repair 101, Photo to Finish, A Celebration of Books and Words Through Art, The Culinary Apprentice, Babysitter Survival, Beyond the Lemonade Stand, and Building Drama the Right Way, and learn about the career opportunities through these programs. The Tech Prep sponsored Career Exploration Days will be held June 6-9 and will offer two sessions (session 1 will be held 8:00 - 11:00 a.m. and session 2 will be held 11:30 a.m. - 2:30 p.m.). Students will be accepted into each program on a first-come first-serve basis. Students must provide their own transportation. To register, contact the student's guidance counselor or print an application from the Career Center's web site at www.fourcounty.net.
