

Congressman Latta Visits Career Center

Four County Career Center was pleased to host United States Congressman Robert Latta and Senior District Representative Kathy Shaver to the Career Center where they toured career and technical labs that have recently been renovated. The Career Center has utilized permanent improvement money to keep the labs current with industry standards to train students for today's job market. Representative Latta met with several administrators and individuals who are working on their Administrative Internship at the Career Center.

Shown visiting the Health Careers lab are (LEFT TO RIGHT) Kathy Rupp, Administrative Intern from Four County Career Center; Ms. Shaver; Jacinta Nafziger, Administrative Intern from Pettisville Local Schools; Representative Latta; Rick Bachman, Director of Career & Technical Education; and William Spiess, Superintendent.

Representative Latta met with several administrators and also took time during his tour to visit the state-of-the-art science lab where students who were attending summer school were in the process of dissecting a cow eye as part of their curriculum.

Shown in the Science lab are (BACK - LEFT TO RIGHT) James Battershell, Summer School Supervisor; Representative Latta; William Spiess, Superintendent; Lea Newton, Science instructor; and Rick Bachman, Director of Career & Technical Education; with students (FRONT - LEFT TO RIGHT) Bradley Whitlock (Stryker); and Ashley Schlosser (Stryker).

Four County Career Center offers 30 career and technical training programs to juniors and seniors from 22 associate districts in Defiance, Fulton, Henry, and Williams counties as well as special interest and skill training for adults in northwest Ohio.
