MESSAGE FROM THE SUPERINTENDENT

The 2016-17 school year at Four County Career Center was filled with many success stories. From students who excelled in State and National Contests, to the many who had wonderful experiences in early job placement, Four County was very blessed this school year. We are very proud of how we prepare students for the challenging careers of today and tomorrow. The success at Four County is due to having a staff that is dedicated and passionate about their profession, and students who are focused on taking advantage of a great education. That combination is what makes Four County the best Career Center in Ohio!

A handwritten signature in blue ink that reads "Tim J. Meister". The signature is fluid and cursive, with the first name "Tim" and last name "Meister" clearly legible.

Tim Meister
Superintendent
Four County Career Center

MESSAGE TO THE YEARBOOK TEAM

Please let these Digital Design & Imaging students know what a good job they did on this year's yearbook. This project is a monumental task that requires more than three months of diligent focus and professionalism. Our goal in taking and managing nearly 1000 photos is to be as close to perfection as we can get. The skills and extreme organization these students have demonstrated is to be commended. This book will serve as a life long memory of the lessons learned and the friendships made while attending Four County Career Center. Thank you yearbook team for your hard work and for doing a great job!

Sincerely
Jim Buchholz
